### CENSUS PAY

### Three General Rates—Per Diem Schedule for Enumerators in Big Districts

J. T. Wilson, Census Supervisor for this District, has received a circular from the Census Bureau on the rates of pay for enumerators.

Where the per capita rates would not give sufficient pay, the per diem rates are prescribed. The rates in general will be so adjusted as to give a slightly higher average amount to the enumerators than they received in 1900.

Per diem rates of pay will be paid to the Census Enumerators in the sparsely-settled Rural Districts of Arizona, California, Colorado, Idaho, Montana, Texas, Utah, Washington and Wyoming.

The rate will range from \$5 to \$6 per day for the enumeration of the rural areas outside of cities and towns. Six dollars is the highest rate authorized by law.

There are three general rates—the per capita, the mixed and the per diem.

The first and second general rates have five subdivisions each.

The per diem rates range from \$3 to \$3.50, \$4, \$4.50, \$5, \$5.50 and \$6, and are to be paid for a day of eight hours' work.

For enumerators on the per capita basis, which will be that most widely used, the pay for each inhabitant is: Class A, 2 cents; Class B, 2½ cents; Class C, 3 cents; Class D, 3½ cents, and Class E, 4 cents. Such enumerators will also be paid for each farm as follows: Class A, 20 cents; Class B, 22½ cents; Class C, 25 cents; Class D, 27½ cents, and Class E, 30 cents. These rates are in each case five cents or more higher than those paid in 1900, when the range was from fifteen cents to twenty cents. For each establishment of protective industry the rate for each class is 30 cents. For each barn and enclosure containing live stock, not on farms, the pay is 10 cents.

Under the mixed rate, which is a combination of the per capita and the per diem, there are five sub-classes alphabetically arranged, and the per diem is: Class F, \$1; G, \$1.25; H, \$1.50; I, \$1.75, and J, \$2. For each inhabitant the pay is: Class F, 2 cents; G, 2½ cents; H, 2½ cents; I, 2½ cents, and J, 3 cents. For each farm: Class F, 15 cents; G, 17½ cents, H, 17½ cents; I and J, 20 cents each. For each establishment of protective industry the rate is 20 cents for each class.

Gage marks 38.4 and falling.

The suit of the Barley Tobacco Society against certain independent manufacturers in various parts of the country for refusal to take over their pro rata shares of Barley tobacco purchased at Winchester, was called for trial at Lexington Tuesday and postponed until Saturday.

CAN A MEDICINE BE A "FAKE" that has lived and grown in popularity for thirty years, and demonstrated its worth by actual cures of female ills in thousands and thousands of American families?

Any fair minded, intelligent person will emphatically answer NO! Such a medicine is Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, and its ever increasing popularity is due to actual merit alone.

The Colored Fair Association stock of Lexington is, from reports, in greater demand than Standard Oil stock, as three shares of \$10 each, when placed under the hammer of the Master Commissioner brought \$245.

At Frankfort Tuesday Lieutenant Governor Cox received a communication from Conrad Klinge of Herman, Mo., asking that the Speakers of the Senate and House announce that he is trying to locate the family or descendants of Conrad Aab, who formerly lived at Maysville and Harper's Ferry. From the tone of the letter it would indicate that a fortune awaits the descendants of Aab.

### JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Something new is to be represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. How supporting you had a bad back. A lame, Weak or Aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

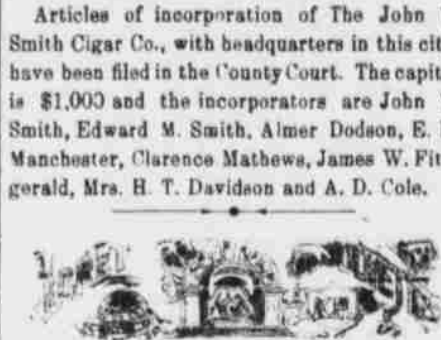

How to prove local testimony. Some endorsement is the proof that backs every box of Doan's Kidney Pills. Read this case:

J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says: "I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my back. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
